LIVE AT THE RED ROBINSON SHOW THEATRE
FRIDAY, JUNE 15

Coquitlam, BC – Country singer-songwriter Randy Travis is gearing up to launch his 2012 North American concert tour in celebration of his Silver Anniversary. From his breakthrough hit, “On the Other Hand” to his most recent single, “Turn It Around”, Travis has demonstrated flawless taste in lyrics and immense finesse as a vocal stylist. His record sales have exceeded 25 million and he has received a total of seven Grammy Awards. In addition, three of his performances – “On The Other Hand”, “Forever and Ever Amen” and “Three Wooden Crosses” – earned him awards from the Country Music Association. In recent years, he has turned to Gospel music winning seven Dove Awards from the Gospel Music Association.

Travis is also an accomplished actor having starred in such films as *Frank & Jesse* opposite Rob Lowe and Bill Paxton and *Fire Down Below* which starred Steven Seagal and Kris Kristofferson. He has also appeared on several television shows including ABC’s *Matlock* and NBC’s *Frasier*. Last year, the Grand Ole Opry member marked the official beginning of his 25th year in the industry with the Warner Bros. Records release of *Anniversary Celebration*. When reflecting on milestones of his quarter-century in the music business, Travis says, “I’m surprised how fast the first twenty-five years have gone by. It feels like only five.” As for his upcoming tour, “there’s no better feeling than being on stage and the connection with a live audience”. Randy Travis’ tour will include a one-night performance at Boulevard Casino’s Red Robinson Show Theatre on June 15, 2012.
