BURLESQUE TO BROADWAY

STARRING

QUINN LEMLEY

SATURDAY, APRIL 6

Richmond, BC – With one show-stopping number after another, *Burlesque to Broadway* splashes onto the stage starring Quinn Lemley, her two sexy sidekicks, Gracie and Raz and a sizzling big band! Quinn and her girls will transport you into the world of The Ziegfeld Follies, Minsky's and classic Broadway in a fast-paced performance celebrating the women who went from burlesque to Broadway and beyond. Directed by Tony Award winner, Joseph Hardy, *Burlesque to Broadway* dazzles audiences with sequined and feathered costumes, hard hitting music from Ruth Etting to Tom Jones along with the classic jokes and pokes of the era.

Quinn Lemley is a throwback to the era of classic nightclub acts. She pays tribute to the "Queen of Comedy" Fanny Brice, Sally Rand and her fan, Gypsy Rose Lee, Mae West, Sophie Tucker and others that defined burlesque and illuminated Broadway. Burlesque gave these women the American dream ... to earn a living, see the world and for the lucky, create a legacy. Don't miss this critically acclaimed production as Quinn and the girls sing and dance up a storm with such unforgettable hits as "Hey Big Spender", "Ten Cents a Dance", "Let Me Entertain You", "My Heart Belongs to Daddy", "Bang, Bang", "She's A Lady" and many other surprises. Audiences from New York to Los Angeles have met the show with standing ovations and now it's your chance to "celebrate the art of the tease" when *Burlesque to Broadway* comes to the River Rock Casino Resort for one night only on April 6, 2013.
