RIVER ROCK CASINO RESORT  
PRESENTS

# DON RICKLES

FRIDAY, APRIL 26

**Richmond, BC** – For over fifty years, Don Rickles has appeared in the top showrooms of Atlantic City, Lake Tahoe and Las Vegas and is regarded as one of the world’s funniest comedians. His “insult” style which he’s famous for just happened ... two years after his discharge from the US Navy in 1946, he began working in nightclubs. Never a great joke teller in the traditional sense, he suddenly found himself talking directly to the audience and throwing “off the cuff” lines at them. The laughs came and the rest is history. He signed for his first Las Vegas appearance in 1959 but it wasn’t until six years later that Rickles believes the ball really started rolling when he made his debut on NBC’s *The Tonight Show Starring Johnny Carson*. His hilarious and freewheeling performance that night became the talk of the show business industry and caused nationwide comment among the press and public.

During the span of his career, Rickles has starred in prime time series for CBS (*The Don Rickles Show*), NBC (*C.P.O. Sharkey*), ABC (*Foul Ups, Bleeps & Blunders*) and FOX (*Daddy Dearest*). And just last year, he guest starred on an episode of TV Land’s original sitcom, *Hot in Cleveland*. He’s also been highly visible in motion pictures including the cult classic, *Kelly’s Heroes* opposite Clint Eastwood, Martin Scorsese’s *Casino* and the voiceover role of “Mr. Potato Head” in Walt Disney Pictures’ computer animated features, *Toy Story* and *Toy Story 2*. In addition, he has starred in several live stage productions and along the way, has had two best-selling comedy albums. In 2007, his memoir, *Rickles’ Book* was released by Simon & Schuster and *Mr. Warmth: The Don Rickles Project* – a documentary directed by John Landis – premiered on HBO for which Rickles won an Emmy Award. He continues to perform to sold-out audiences across North America and has no plans to retire. Don’t miss a hilarious evening of non-stop laughs when Don Rickles performs for one night only at the River Rock Casino Resort on April 26, 2013.
