**UNITY TOUR 2012**

**FRIDAY, OCTOBER 12**

**Richmond, BC** – Adored by millions of fans the world over, the Jacksons forever changed the landscape of popular music. When siblings Jackie, Jermaine, Marlon and Tito Jackson rose to fame with their late brother Michael in the 1970's, they instantly became an unstoppable global sensation. Their unique brand of soulful pop-funk, their lengthy catalogue of hits and their impeccable live performances have made them one of the most beloved musical acts of all time. Idols unlike any other in music history, the Jacksons have redefined, reinvented and reinvigorated popular music as we know it.

Classic hits such as "ABC", "I Found That Girl", "I Want You Back" and "I'll Be There" catapulted the group to superstardom. The Jacksons were formally inducted into the Rock and Roll Hall of Fame in 1997 and were the youngest group ever to receive that honour. They last toured together in support of their album, *Victory* in 1984. The Jacksons' Victory tour was the first of its kind and drew over 2.5 million people to stadiums across North America. Now for the first time in nearly three decades, the group is back on stage together as part of their Unity Tour 2012 and will be playing their hits from all the eras of their celebrated career. The tour will include a one-night engagement at the River Rock Casino Resort on October 12, 2012.
