"The opening of the casino at Pickering Casino Resort is yet another step towards our company's recovery from the impact of COVID-19 and means another 600 jobs created in the Durham Region in this first phase of the property's opening," stated Terrance Doyle, the Company's Interim Chief Executive Officer. "This will be Great Canadian's 25th property currently operating in Canada and the first casino resort opened in Ontario in 16 years, and I would like to thank all the hard work invested by our team, our contractors and other important stakeholders who have helped us achieve this incredible milestone," Doyle concluded.
